Laboratory Sinks

Epoxy resin drop-in and undermount sinks, cup sinks, troughs and accessories — plus integral stainless steel sinks

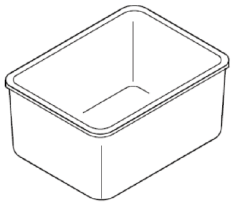

■ Drop-in sinks ■ Undermount sinks ■ Stainless steel sinks ■ www.lsamerica.com

Epoxy Drop-In Sinks

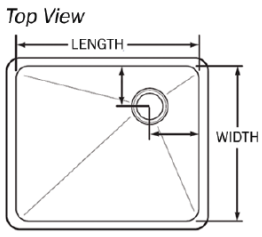

Durcon® epoxy resin sinks are molded from the same chemical-resistant epoxy as Durcon worksurfaces. Drop-in sinks install from above, with the sink rim supported by the worksurface.

Epoxy Undermount Sinks

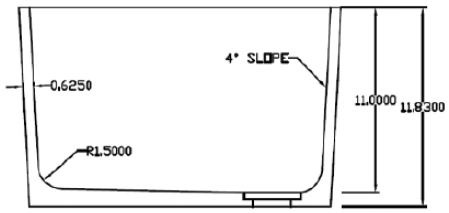

Undermount epoxy sinks mount beneath the worksurface for a clean, continuous edge that lets spills be wiped straight into the bowl.

INTEGRAL STAINLESS STEEL SINKS

Stainless steel tops can be supplied with integral sink bowls formed from the same 16 gauge Type 304 stainless steel with a #4 satin finish. Tops with an integral sink bowl have a beaded edge, and sinks can be customized to different sizes as required. Type 316 stainless steel is available if required.

WIDTH	FRONT TO BACK	DEPTH
20"	17"	7"

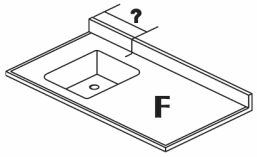

Sink material	16 gauge Type 304 stainless steel (Type 316 optional)
Finish	#4 satin
Standard bowl	20" W × 17" F-B × 7" D
Sink edge	Beaded
Max. depth of top with standard sink	42"

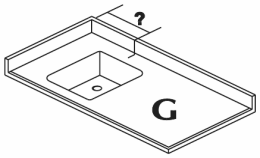

Stainless steel tops with integral sinks and back splash.

INTEGRAL SINK TOP STYLES

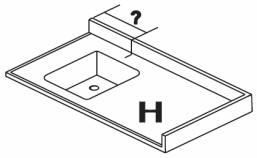

On each style, the **?** dimension marks the sink location to be specified when ordering.

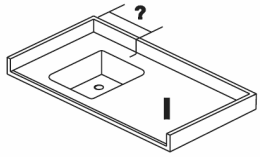

Style F
Single sink, back splash

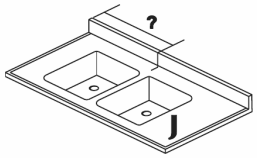

Style G
Single sink, back + left end splash

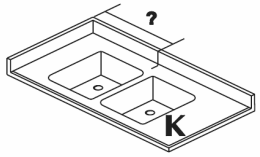

Style H
Single sink, back + right end splash

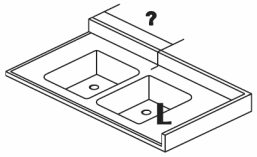

Style I
Single sink, back + both end splashes

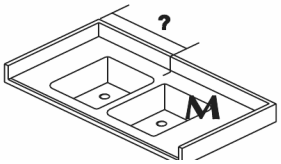

Style J
Double sink, back splash

Style K
Double sink, back + left end splash

Style L
Double sink, back + right end splash

Style M
Double sink, back + both end splashes

NOTE — DROP-IN STAINLESS STEEL SINKS

When epoxy or phenolic resin countertops are used with drop-in stainless steel sinks, the drop-in sinks can be selected from manufacturers such as **Just Manufacturing** or **Franke**. Share the selected model with Lab Setup America so the countertop cut-out can be coordinated.

LAB SETUP AMERICA

The right sink for every lab

Lab Setup America supplies laboratory casework, fume hoods, worksurfaces, sinks and fixtures — backed by more than 40 years of combined experience. Send us your drawings and sink schedule for a complete quotation.
